

CLIMBING AND RAPPELING

Climbing and rappelling program for beginners, incl. brief lecture on climbing technique and safety. Use of U.I.A.A. standard mountaineering gear (harnesses, ropes, locking carabines, rappelling and belaying devices). Safety helmets.

Location: Černolice (18 km)

SAZAVA RIVER CANOING

Canoeing on Sazava river on its most scenic 8 km section. The swiftly running waters with occasional rapids run through deep scenic valley with numerous granite stones. Use of two-seated plastic canoes (Dag or similar), paddles and life vests + barrels for dry clothes. Boat transportation and back transfer to the starting point is included in the price.

Location (distance from camping): Kamenný přívoz (16 km)

MOUNTAIN BIKING

Discover the beauty of Sázava dramatic rocky canyons, deep oak forests, and tiny rural villages on a mountain bike! Quality mountain bikes by reputable manufacturers, safety helmets (children bikes available). Tour is accompanied by experienced guide&mechanic.

Location (distance from camping): Týnec nad Sázavou (26 km)

CLIMBING & CAVE AND ROPE EXPEDITION (ČESKÝ RÁJ)

Climbing and rappelling program for beginners on sandstone rocks, incl. brief lecture on climbing technique and safety. Use of U.I.A.A. standard mountaineering gear (harnesses, ropes, locking carabines, rappelling and belaying devices). Safety helmets. After lunch break we move by car for **adventure program** in fantastic setting of sandstone rock labyrinth. Led by an instructor, teams pass through gorges, caves and glens. Relying on their skills and team cooperation, participants cope with both natural and man-made obstacles.

Location (distance from camping): Malá Skála (120 km)

HRUBA SKALA ROPE ADVENTURE AND MOUNTAIN BIKING (ČESKÝ RÁJ)

Full day program in Bohemian Paradise Nature Park (Český Ráj) - rugged and forested region of bizarre rock formations, tall sandstone cliffs and pillars. **30m rappelling route** is complemented by a **rope bridge traversing 40m deep canyon and Burma bridge**. Brief lecture on program safety. Use of U.I.A.A. standart mountaineering gear (harnesses, ropes, locking carabines, rappelling and belaying devices, pulleys). Safety helmets. After lunch break we discover the beauty of **Český Ráj from a mountain bike saddle**. Quality mountain bikes by reputable manufacturers with suspension fork, safety helmets (children bikes available).

Location (distance from camping): Hrubá Skála (120 km)

TEAM SPIRIT

Exciting half day programme on the camping grounds! Strengthen your group by team spirit games (hogan house, blind tent, low rope activities) camp orienteering and archery contest.

Teams of max. 7 persons, prices for winning team (sweets, certificates of achievement).

Location: camping premises

HORSE RIDING

In Stáj Urban riding farm. Stable inspection and brief lecture on horseback riding. For beginners, riding in both covered and open-air riding grounds (lesson=45 min of intensive tutoring). Open countryside riding available for advanced participants only („lesson“=60 min). Hard hats are not provided.

Location (distance from camping): Bojanovice (8 km)

GUIDED HIKING

Spectacular trail in the green hills above Stechovice lake. Forest path climbs through meadows and oak forests of a Deer Park where you might well see grazing fallow deers and Corsican mouflons. Trail follows rocky valley rim with fine viewpoints to descend to the banks of the Stechovice Lake. Along the lake banks – and also through two shorter tunnels rock digged in a rocky slope – it returns to the starting point. 12 km loop trail of intermediate difficulty.

Location (distance from camping): Třebenice (17 km)

ARCHERY

Program for beginners with informal archery contest and price giving ceremony for the best shooters! Use of archery equipment by reputable manufacturers - arrows by Easton, reflex target bows by Ragim, target by Sticu. Finger and forearm protection. Lecture on correct archery technique.

Location: camping premises
